

The Handley Herald

What's Going On...

In Math we continue to sort objects by color, holes, dots, shape, etc.

Vocabulary: more, less, equal, straight lines, curved lines, sides, vertices, shape names, smooth, bumpy, shiny.

WE ARE READERS! We are matching pictures with words. Primarily with the first letter and with some, other letters.

In Writing students

will stretch out words to write even more sounds, use high-frequency words when writing, get ideas and practice story telling. We will conclude the fast track in Letterland next week with letters W–Z. We will continue to work with students with the letter names/sounds if needed. This includes handwriting. Please encourage your child to use lowercase letters and write on the

line.

In Social Studies we continue to talk about why we follow rules and how to be a good citizen.

In Other News

*Note that the weather **make-up days** will be Thursday, October 31st and Friday, December 20th.

*Roar and Run!

Please check your child's blue Friday folder for more information. 100% of the funds raised will remain at LES. The running will take place on the track during our recess time right after we finish lunch, with lots of fun things in store. Feel free to come out and support our students! Signs are welcome!
